RESEARCH INTERESTS

Microeconomic Theory | Economic Education

EDUCATION

Indian Statistical Institute, New Delhi

PhD, Economics

2009–2014, 2022–Present

- Advisors: [Arunava Sen](#) and [Debasis Mishra](#)

The Pennsylvania State University, State College, PA

PhD Programme (non-graduating), [Economics & Operations Research](#)

2005–2009

- Completed 3.5 years of coursework; 86 credits, GPA 3.71/4.00
- Advisor: [Kalyan Chatterjee](#)

Delhi School of Economics, University of Delhi, New Delhi

M.A., Economics — First Division

2002–2004

Ramjas College, University of Delhi, New Delhi

B.A. (Hons.), Economics — First Division

1999–2002

RESEARCH

“Timing of the Tie-Breaker” (with Sumit Goel & Nidhi Jain) [[PDF](#)] [[Video lecture](#)]

“Optimal Tie-Breaking Rules” (with Sumit Goel) [[arXiv](#)]

EDUCATIONAL MEDIA

YouTube: @econ.school

2009–Present

- Lecture series and problem-solving videos; ~9,000 subscribers

Playlists

- [Microeconomics 1: Consumer Theory](#)
- [Microeconomics 2: General Equilibrium](#)
- [Microeconomics 3: Production & Cost](#)
- [Microeconomics 4: Competitive Equilibrium](#)
- [Microeconomics 5: Monopoly](#)
- [Microeconomics 6: Static Games](#)
- [Microeconomics 7: Dynamic Games](#)
- [Microeconomics 8: Externalities](#)
- [Microeconomics 9: Public Goods](#)
- [Convexity and Optimisation Methods](#)
- [Learn Python with Probability Applications](#)
- [Learn R with Probability Applications](#)

Econ Art Book

- A 100-page collection of mathematical postcards — economic concepts rendered as visual art using TikZ; part of a broader effort to make rigorous economics more accessible and aesthetically compelling

PROFESSIONAL EXPERIENCE

Academic Specialist, NYU Abu Dhabi

Jan 2025–Present

- Conducts recitations, sets examinations, and grades assessments in undergraduate and graduate economics courses

Founder & Economics Coach, Econschool
